

The Perfect Hot Chocolate

I love curling up with a cup of hot chocolate while watching a movie or reading a book! The perfect hot chocolate can be a homemade recipe or a store-bought one. It's the special added ingredients in this recipe that will change an average hot chocolate into a perfect hot chocolate!

Ingredients

- 2 tbsp homemade or store-bought hot chocolate powder
- 1/2 tsp vanilla extract
- 1 tsp chocolate syrup
- 1 1/2 cups boiling water
- 1/2 cup milk, warmed
- 100 ml cream
- 4 marshmallows

Method

Spoon some hot chocolate powder into your favourite hot chocolate cup.

Pour boiling water over the chocolate powder and stir thoroughly.

Stir in the vanilla extract and chocolate syrup until combined. Then stir in the milk.

Top with whipped cream and marshmallows.

Happy Drinking!
